

3-Platen Electric Clamshell Grill

3-Platen Electric Clamshell Grill

Model: MWE3W

Product Features:

- Three platen design provides an additional grilled product cook zone within the same space currently used within the restaurant.
- Product Recognition technology that automatically senses the food product placed on the grill yields faster, flexible operation and reduces waste.
- Auto-calibration of each platen for gapping precision, consistent product quality and expanded self diagnostics.
- LonWorks® technology to network the grill into the “kitchen of the future,” reducing energy consumption and increasing operational efficiency.
- No access of upper platen required for adjustments and simple motorized movement of upper platen minimizes components.
- Two year parts and labor warranty.

The Garland 3-Platen Clamshell grill, manufactured exclusively for McDonald’s, provides a method for efficient two-sided cooking, while accommodating a variety of products. This grill meets all of McDonald’s standards for safety, efficiency, and cleanliness.

The specifications on this sheet are for the exclusive use of licensees of the McDonald’s Corporation.
