

3-Platen Gas Clamshell Grill

3-Platen Gas Clamshell Grill

Model: MWG3W

Product Features:

- Three platen design provides an additional grilled product cook zone within the same space currently used within the restaurant.
- Product Recognition technology that automatically senses the food product placed on the grill yields faster, flexible operation and reduces waste.
- Auto-calibration of each platen for gapping precision, consistent product quality and expanded self diagnostics.
- LonWorks® technology to network the grill into the “kitchen of the future,” reducing energy consumption and increasing operational efficiency.
- No access of upper platen required for adjustments and simple motorized movement of upper platen minimizes components.
- Two year parts and labor warranty.

The Garland 3-Platen Clamshell grill, manufactured exclusively for McDonald’s, provides a method for efficient two-sided cooking, while accommodating a variety of products. This grill meets all of McDonald’s standards for safety, efficiency, and cleanliness.
