Subject: McDonald's Canada New Oven Menu Settings
Product: Half-Size Electric Convection Ovens
 Model—MCOE5L
Date: October 26, 2015

All Garland Canada Factory Authorized Service Partners

McDonald's Canada has confirmed that they have made changes to their menu settings used in the Garland convection ovens model MCOE5L. Garland is working on implementing these changes in production. In the interim please make note of these Canadian specific changes **highlighted in yellow**, in case you are requested by a restaurant to program these in or you replace a control that needs to be updated.
