

ELECTRIC CLAMSHELL GRILL

MODEL # MWEH-9501-E
INTERNATIONAL

The Garland Clamshell grill, manufactured exclusively for McDonald's, provides a method for efficient two-sided cooking, while accommodating a variety of products. The unit will also serve as a flat grill, and meets all of McDonald's standards for safety, efficiency, and cleanliness.

Manufactured exclusively for McDonald's by:
GARLAND COMMERCIAL INDUSTRIES, INC

Product Features:

- ✓ Platen design provides for uniform temperature and reduced warpage for consistent product.
- ✓ No access to upper platen to eliminate "inadvertent" adjustments
- ✓ High backsplash and tight shaft seal at backsplash for reduced grease migration and lower monthly maintenance.
- ✓ Computerized, integrated Time/Temperature/Gap settings for easier operation and consistency.
- ✓ Electrically actuated platen movement mechanism reduces operator interaction for safer operation.
- ✓ Programmable menu items for future adjustments, new products and country differences.
- ✓ Clean mode preheats cooking surface to optimal temperature for cleaning ease.
- ✓ Patty placement guide on cooking surface.

The specifications on this sheet are for the exclusive use of licensees of the McDonald's Corporation.
